Decision note and priority actions

74.1% product margin on EUR 83,755 of sales incl. VAT; EUR 16,245 remains to the period benchmark. After shipping, fulfilment, fees and advertising, EUR 35,167 (50.8% of net sales) remains.

- Protect Daily Reset Set: thinnest product margin (70.2%); keep discounts well below its 71.4% break-even.
- Review VIP20: 1.50 of margin per EUR 1 of discount, against 3.59 for WELCOME10.

Scope: product margin, then declared shipping, fulfilment, payment fees and advertising; not net profit.

Per-order costs are allocated by order value; returns follow the order data; overhead is excluded.

Source: Excel import, checked by integrity controls before publication. Sample-store figures are illustrative.

Margin Map is decision support, not an accounting or tax reporting system.
